Volume VIII, Issue I, Winter 2009

FROM THE PRESIDENT, DR. CRAIG KLEINMANN

Happy belated New Year to everyone. I am excited about the upcoming year. First, our schedule of speakers is complete. My focus for this year's speakers will be primarily historical in nature as we are all products of not only where we trained but who trained us. On March 24th, Dr. Garabed Eknayan will be coming to town. He is

nationally recognized for his contributions as past president of the National Kidney Foundation. He is a noted scholar on the history of both medicine and nephrology and is a regular contributor to AJKD. He is also widely recognized as the co-developer of KDOQI (Kidney Dialysis Outcomes Quality Initiative). I am certain the first Quarterly meeting will be not only interesting to members but also our significant others. Please come and join us for what I am sure will be an extremely enjoyable evening.

As many of you already know, we enter the new year coming off a tre-

mendously successful previous year. The attendance was up at every meeting overall and we also enjoyed a very successful first memorial lecture series honoring Dr. Gaylord Walker. This was bittersweet. This year we will continue our memorial lecture series in honoring Dr. Sam Miller at our December meeting. As many of you recall, Dr. Miller retired from active practice after developing cardiomyopathy. He ultimately required orthotopic heart transplant and unfortunately died last year. We will be honored to have Dr. Ventura from Oschner presenting Dr. Miller's memorial lecture.

The Circle of Friends

started by Dr. Tart, with contacts provided by many of our members, was a great success. In the current economic climate, our challenge will be not only to keep our Circle of Friends involved but also, if possible, continue to add new members. If you know of an individual or business who might be interested, please send the name via email to Sheree LaCoste at msomc@earthlink.net or the Medical Society office at 476-9494. Your contacts have made this a great success.

I look forward to a great year, see you in March.

PAST-PRESIDENT DR. REGINA BENJAMIN WINS AMA AWARD

The Medical Society of Mobile County is pleased to announce that Past-President Dr. Regina Benjamin has been awarded the Pride in the Profession Award. This award is given by the AMA as a part of their Foundation Excellence in Medicine Awards. It is given to honor domestic physicians who aid underserved populations in the United States.

The Board of the Medical Society voted unanimously to nominate Dr. Benjamin for this award. As noted in the submitted award application, "Dr. Benjamin is the essence of a leader; she has the heart of a servant, the drive for excellence, the understanding and belief that giving means so much more than receiving."

Dr. Benjamin founded Bayou LaBatre Rural Health Clinic in 1990. More than 1 in 5 families in this rural area live below the poverty level. Dr. Benjamin knew the demographics when she chose the area and made a commitment to be their doctor. And yet she treats them all, knowing they often cannot pay. Dr. Benjamin clearly has made a personal sacrifice to care for this community.

*Congratulations
Dr. Benjamin! We are
honored to have you as
part of our organization.*

CAMP RAP-A-HOPE REPORT

Melissa McNichol, Executive Director

Camp Rap-A-Hope welcomes our newest Board of Directors members:

Browning, Hallie Croom, Janea Delmas, Jennifer Hartley, Greg House, Pam Koch, Mary Day Lantaff, Jeff Lawrence, Leslie Lerner, Dean Liollo, Amanda Muscat, Dr. Jimmy Walker and Curt Wilson as we continue to meet the needs of children with cancer. and Scott Browning as Treasurer. Thank you to Chief Phillip Garrett for his six years of service on the Board of Directors and most recently as President.

Our Fall Family Fun Day and Fundraiser was a huge success. It was well attended by Campers and families as well as volunteers, supporters and many of you. Over 500 came out to spend a little time at Camp Grace and see what we do for our Campers for the week of Camp. The parents of the Campers were especially grateful to see how their special children spend the week and to meet a few of those who take care of them. It was very exciting to have new Campers to come and meet us for the first time and to learn a little about Camp Rap-A-Hope.

brated the Holidays with over 300 in attendance at Bellingrath Gardens on Dec. 28th. We enjoyed a cookout and a fish fry. Bellingrath donated the tickets for the gardens to all who attended. It's always a real joy for these kids to be together at the Holidays to celebrate their lives and the anticipation of the great days ahead.

Thank you to Mona Lyons for an outstanding job with the Holiday cards. The fundraiser was successful not only in the money raised but in keeping Camp Rap-A-Hope on the minds of those in our community and beyond.

Camp 2009 will be here before you know it. Mark your calendars—**May 30—June 6**. We look forward to working with you to make Camp 2009 the best yet.

The Medical Society, Sheree LaCoste, your Executive Director and Wendy Bedsole, are truly an asset to the Medical community but especially to Camp Rap-A-Hope. Thank you for all that you do to help Camp continue our mission. Your work with us is greatly appreciated.
