

## The Best and the Brightest

Each year, the Mobile Medical Endowment Trust, a program administered by the **Medical Society of Mobile County**, presents scholarships to students at the University of South Alabama College of Medicine. Training these young doctors-to-be helps us ensure the highest quality medical care for future generations. The “Never Forgotten” program enables us to continue to support our medical students financially.

# At a time of loss, the gift of caring...

..can mean so much to a grieving family.

Despite all the advances in medical knowledge, and the best efforts of physicians and staff, patients are lost. The **Medical Society of Mobile County** in con-

junction with the Mobile Medical Endowment Trust has created a way for you to show a deceased patient's loved ones that you and your staff truly care about those who are lost and their families.

## How the Program Works

When you make a once-yearly donation to the Endowment, we will send a card stating that a donation has been made in the deceased's name from your

organization. The donation is fully tax deductible, since the Endowment is a 501(c)3 non-profit charitable organization. You may e-mail your instructions and addresses to [msomc@earthlink.net](mailto:msomc@earthlink.net), or fax them to 476-9495. You will also receive a record of your donation and recipients for tax purposes yearly, or upon request.

The proceeds from the Medical Endowment Trust fund a scholarship program for medical students. Once each year, scholarships are presented to medical students who are recommended by the faculty at the University of South Alabama College of Medicine. The number of scholarships and amounts are determined on an individual basis. The President of the Medical Society of Mobile County makes the presentations.
